

Nice initiative.

The thoughts and dreams of humanity win my heart.

The trick to learn is visualization.

I become so happy and optimistic when feeling myself like a child.

The stuff that makes me happy just arrived.

A better future is available.

I realize I have to become someone else.

I understand that I should continue loving human dreams and fantasies.

The pursuit of something greater will be the high point of my life, can't wait.

I do my best for the people around me.

They make sure to live life to the fullest, as if everything is going to be okay no matter what happens.

Hearing ocean waves nearby somehow makes me very happy.

I have the absolute biggest smile on my face.

I can empathize and be genuine.

Dispense wisdom and insight with someone that loves you.

Immerse yourself in the moment.

Incredible moment that I will never forget, those memories are going to keep me happy for years.

Now I start to realize there is some kind of all-powerful force that watches over everything.

I must reach out more. Oh man, are you in for a TREAT.

It's important to treasure those you love while you can. Don't take anything in this life for granted.

I should be proud.

Well, the moment of truth. You will be shown who you really are.

I'm pretty happy.

This will have a good ending. Like riding a kiddie ride, smiling and joking while doing it.

Doing something I love makes me happy and loving.

Strong emotions run through me, one hell of an emotional ride.

I will be healthy and have a good time.

I've laughed a lot.

I feel like home here, pretty god damn great to see.

All these things are what I want to be.

I feel happy and motivated, like I just crashed onto the planet.

I just can't stop laughing. It was a glorious moment, pure ecstasy.

Jumping in full-force keeps me smiling and smirking every day.

I'm proud to have done my small part.

I'm extremely happy that I'm alive. Ecstatic, bordering on delirious. Happy.

I feel that something very vivid and cool to look at is drawing me in.

I am so happy. Words cannot express it.

Something echoing from the past makes me laugh harder and harder.

Love, power, peace and knowledge are desires that I can't hold back.

I close my eyes in sweet bliss, probably the highest point in my life so far.

Active meditation accelerates self-healing.

I'm accepting myself as bad as I want to breathe.

Aspire to something higher as your relationship deepens.

A heart full of love actually guides me.

Make your own universe at all times.

Bouncing back from the edge is the best thing about me.

I benefit from joining a team because I seek the truth.

Been waiting for believers in meaning to be by my side.

The cosmic hierarchy convinced me of its awesomeness.

Crafters of positive power create with thought.

Choose your thoughts by contemplating your own mind.

Don't quit devoting your life to deep conversation.

I am dedicated to incarnating love and do it daily.

Easy magic expresses my personal experience.

I enjoy an energizing effect thinking every moment is precious.

Find something to admire from Earth to the end of the universe.

Focus on your life and a feeling of oneness.

Firmly rooted means full of love and stability.

Genuine spiritual power gave me the knowledge and the courage to get better habits.

Get connected at that level with someone and give your life meaning.

We can change ourselves completely because beliefs create reality.

A heroic dose of healing myself lets me become limitless.

We are happy in life and live a great life.

I've always heard it's not over yet.

It's time for an inner awakening.

Journey within just like that.

Just between us, this is just the beginning.

Keep going to know yourself fully.

Life goes on and on and I love life so much.

Live a focused life to live your best life.

Self-control techniques make life more interesting.

Now it's our responsibility to fix it and there's no turning back.

Never back down and never give up.

Own your own fate.

Pure joy presents a place for you in the moment.

People like me will notice the light in you.

Resist the urge to quit.

I am stranded deep and safe everywhere.

The universe speaks directly to me every day.

Seeing people's lifespans showed me something higher.

The surprising and meaningful answer is soothing and relaxing.

Strength and beauty stare down eternity.

I share the journey with someone I can talk to.

Thoughts create true confidence.

Test your fluency conveying the message to others about the point of living.

Try everything and tell me how you feel.

Take me with you and make me laugh.

Use your own mind to do useful things.

We become what we think about, so who are you?

When you smile with confidence, your whole nervous system is pulsing with energy.

Create meaning and power with your thoughts.

Your deepest purpose is to become what you think about.

You are already taking the first step and have plenty of access.

A message imprinted on their minds might clear some things up.

All I need is a restful and pleasant day and a lot of possibility.

Attack at the right moment as long as your life's purposes are the reason.

Back home after a long time and on their mind.

Been great so far because it was funny as hell.

Build yourself up by just showing up.

Chasing the essence to completion could never have been easier.

Damn right I am dreaming tonight.

Develop discipline you didn't know existed.

Dragging around devastating strikes like a trophy drives the obsession.

Enjoy all eyes on your effective attacks.

Expand your awareness even if it breaks.

Explore easygoing energy every night before bed.

Feels so close to figuring out who you are.

Follow me 'til the end of the frontier for a first look.

Found this floating in a little circle.

It's fun to be around us when we flex and fight back.

Game of life is a goddamned goldmine.

Get on board with me crushing the craziest performances like clockwork.

Grow hot like a trophy buck thrashing through the halls.

A heads-up has been set in motion.

I actively hunt them down against tide.

I am somebody in my veins.

I can't even keep a straight face when you see me cracking up.

I feel it coming in the room where it happens.

I'm genuinely impressed at how you've got me wide open.

I've got a decent handle on incredible results.

It's never over because I won't give up.

Keep getting away with different kinds of dreams.

Let go of the end result and let it roll like a best friend.

Make friends to reveal more of you.

Nobody sleeps through our new approach.

One great big merciless and unstoppable force is on the loose.

Passion and always a lot of chemistry pump up people instantly.

Pick me to pull this type of thing off successfully.

Release a rush of raunchy reflection.

Set standards of self-control.

Spend time sweating it out with someone like me.

Stand back in stupefaction at what you've got.

Start feeling stronger than you've ever been.

The idea just won't leave my head: to take this moment and try not to laugh.

Unapologetic understanding uplifts us.

Visit vast and plentiful valleys, they are very cute and nice.

You guessed right: I'll gladly do it.
